

Terms of agreement with the team leader

I, **A Peter Hudson**, student of **Nitte Meenakshi Institute of Technology**, participating as a team leader, in the e-Yantra Robotics Competition (eYRC-2016) conducted by the e-Yantra project of IIT Bombay, agree to take the following responsibilities:

1. Arrange for a No Objection Certificate from **Nitte Meenakshi Institute of Technology** and submit it to the e-Yantra team within one week of the start of the competition.
2. Bring to notice of the organizers any change in the roles of the team members due to any unforeseen event, within 2 days of the change having been made.
3. Be a one-point contact for all communications between the team and the organizers, including reporting issues and uploading documents etc.
4. Ensure that **Nitte Meenakshi Institute of Technology** will provide the space and all necessary support (as agreed to by the college in the NOC), including leave from college to travel to IIT Bombay if selected to participate in the finals.
5. Take full responsibility for the robot and ensure its proper handling. After the competition I shall hand it over to **Nitte Meenakshi Institute of Technology** along with all the accessories.
