NAVIGATE A TERRAIN

Orignal Configuration

We have given you two folders namely **MAP** and **Making Arena Ready.** Contents of the folder are as follows:

1. MAP folder:

   - This folder contains **MAP.jpg** image for the team.
   - Process the image: MAP.jpg to determine the path from the Green Zone to Red Zone.

2. Making Arena Ready folder:

   - This folder contains a document **Making Arena Ready.pdf**.
   - Follow the given instructions in the document to prepare your arena for video demonstration.

ALL THE BEST!!!
